Catalogue (2025-26)

A collection of men's fancy belts is displayed on a dark wooden surface. The belts vary in color, including shades of brown, blue, black, and green. Some have smooth leather textures, while others are woven or have a herringbone pattern. The buckles are also diverse, featuring gold-toned, silver-toned, and black finishes in various shapes like rectangular, oval, and simple prong styles. The belts are arranged in a slightly overlapping manner, showcasing their different designs.
